Et Cetera

HISTORY

And so forth and so on...

Weinhorn Estates, a collaboration between first cousins, David Duckhorn and Ryan Weinert, is the producer of Et Cetera wines.

Both natives to the Napa Valley, our efforts are not of succession, nor of generations, or even nostalgia. Our efforts simply continue a story of doing what we know because that is how we were raised.

The grapes are vinified to make approachable wines for everyday consumption. Paired with your favorite foods and shared with your friends and family, our varietal wines from California exhibit easy to enjoy flavors and texture. Cheers from the cousins!

VINTAGES

The 2016 growing season offered near-perfect growing conditions. A warm, dry spring brought early bud break, helped with canopy vigor and berry size and created ideal conditions for flowering and fruit set under sunny skies. With the exception of some heat spikes in June, temperatures were consistently in the zone for optimal vine activity, resulting in notably healthy vines as fruit went through veraison and started ripening.

SOURCE

Et Cetera Cabernet Sauvignon utilizes fruit sources that provide the best value from their region in California, including North Coast, Lodi and Central Coast. Utilizing multiple regions allows for the yearly blending to provide many options and, thus, significantly more consistent wines to their style every year.

The wines are produced under the direct winemaking oversight of the partners.
